MAIL BID AUCTION #9
CLOSING DATE: AUGUST 25, 1971

PRICES REALIZED \$1.00

This is our first auction run under the name of our new corporation. Gail and I have looked forward to a fulltime coin and antique business for the past two years and we finally made the big step. Your highest bids are urgently requested for this auction as we are starting a grubstake for the newest token collector in our family - due in late September! All lots will be available for viewing during ANA week at our store. Leave D.C. via the 14th Street Bridge and continue out Route 95 until you reach the first Duke Street exit (236 West). Take this exit! Our store is in the Virginia Plaza Shopping Center - you can't miss the large S. Klein store in the same center.

More than ever, we are in great need of US tokens, medals and coins. Our buying prices are most fair - try us. We will also accept tokens and medals on consignment for our auctions at a 20% commission rate. No charge for lots not sold (even with minimums).
